

RESTAURANT RIKΔ

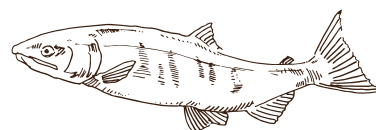

私たちのこだわり

「くだもの里」松川町は高品質なフルーツの産地として知られています。日照時間が長いこと、高い標高による寒暖差、先人たちから受け継いだ高い栽培技術により、味はもちろんのこと、色づきや食感に優れた果物が育ちます。

清流苑では、この松川町で採れたフレッシュな果物のほか、伊那谷のおいしい野菜、肉、川魚を利用した「地産地消」の料理、また、南信州で昔から愛されてきた「郷土料理」をお届けします。

何度来ても、フレッシュな発見がある松川町の『レストラン梨花』を目指していきます。

Nestled between the central and southern Alps, the picturesque town of Matsukawa is known for its beautiful orchards and delicious fruit.

What makes the fruit so special is the unwavering dedication of the farmers and the favorable climate, which combines plenty of daylight with vertiginous differences in temperature between day and night.

At Seryuen, we offer dishes made with locally sourced products, such Matsukawa fruit and Ina Valley's veggies, meat, and freshwater fish. We also prepare typical dishes, traditional food that feature on most local tables.

We want "Restaurant Rika" to be a place where there are always fresh discoveries, no matter how many times you visit.
